Dear Harvestfest Vendors:

It is with deep regret, that the Board of Directors of the DelGrosso Family of Companies announces the cancellation of its 2020 Summer Park Season due to the many concerns resulting from the Covid-19 pandemic.

Many factors played a role in this difficult decision. First and foremost, the safety of our employees and our guests is our number one priority as it has been for 73 years.

The uncertainty of when large attractions such as DelGrosso's Park would actually be permitted to open also played a significant role. This delay would only be compounded by social distancing protocols, capacity restrictions and supply chain interruptions. All of these obstacles would make creating a fun, safe and memorable guest experience, like we have done for decades, very difficult.

More details on our closing can be found on our website at [www.DelGrossos.com](http://www.DelGrossos.com).

With the cancellation of the season, all of our events are also cancelled, including our beloved Harvestfest.

**Please note: The 2020 registrations for Harvestfest will be carried over for the 2021 registration. The committee will contact vendors in February of 2021 to confirm participation.**

As we are still in the "Yellow Phase" for re-opening, DelGrosso's Park has limited the number of on-site employees. If you would like to send an email for questions please do so to [parkinfo@delgrossos.com](mailto:parkinfo@delgrossos.com).

Your patience and understanding during this unprecedented time in our history is appreciated more than words can say. DelGrosso's Park is the Home of Family Fun and Famous Food and we look forward to returning with all of you in the Summer of 2021 and wrapping up the season with our annual Harvestfest celebration.

Sincerely:

The DelGrosso's Park Harvestfest Committee
